NOTICE TO MARINERS No.10 - 2010

## **Reduction of Air Draught Beneath Runcorn / Widnes Road Bridge**

NOTICE IS HEREBY GIVEN that there will be Scaffolding slung beneath this bridge commencing 22nd July 2009 until March 2010. This will reduce the available Air Draught by 1.5 metres.

Mariners should navigate with extreme caution when in this area and be aware that personnel will be working beneath the bridge 24 hours per day, but will vacate the scaffolding whilst the larger vessels pass beneath. Please ensure that the correct sound signal (one prolonged Blast) is used when approaching the bridge.

**Captain S. Gallimore**

Harbour Master

**4th January 2010**

Owners, Agents and Charterers should ensure that the contents of this Notice are made known to the Masters or persons in charge of vessels or craft.
